

A ninety minute course for British hosts of refugees

How To Speak in Clear and Simple English to the Refugee in Your Home

How does it feel to listen to a language you can hardly speak? You'll find out.

Learn 15 changes you can make to how you speak which will help your guest.

Practice speaking in a way that is simple but doesn't sound patronising.

"I went from totally unconfident about dealing with non English speakers to confident that I could make myself understood." Steve Haley, Gateshead
